Name...

Email...

Password..

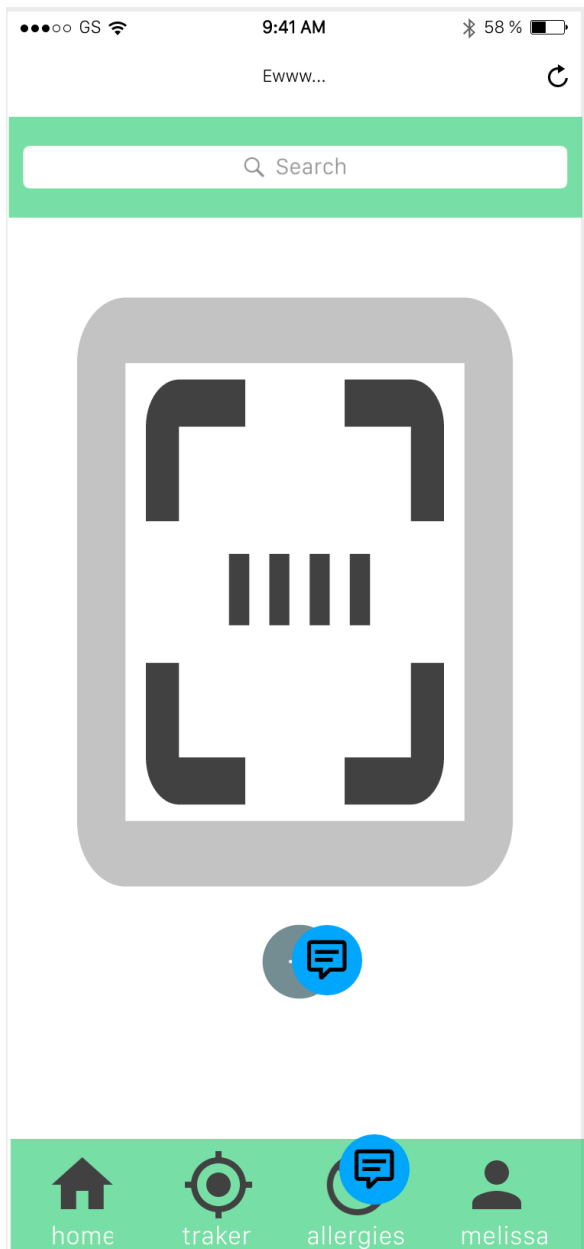

GO 

mestrada7@mail.sfsu.edu

after user enters data go straight to home page

16:41

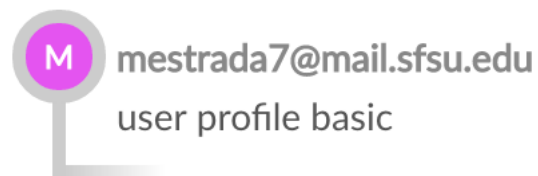

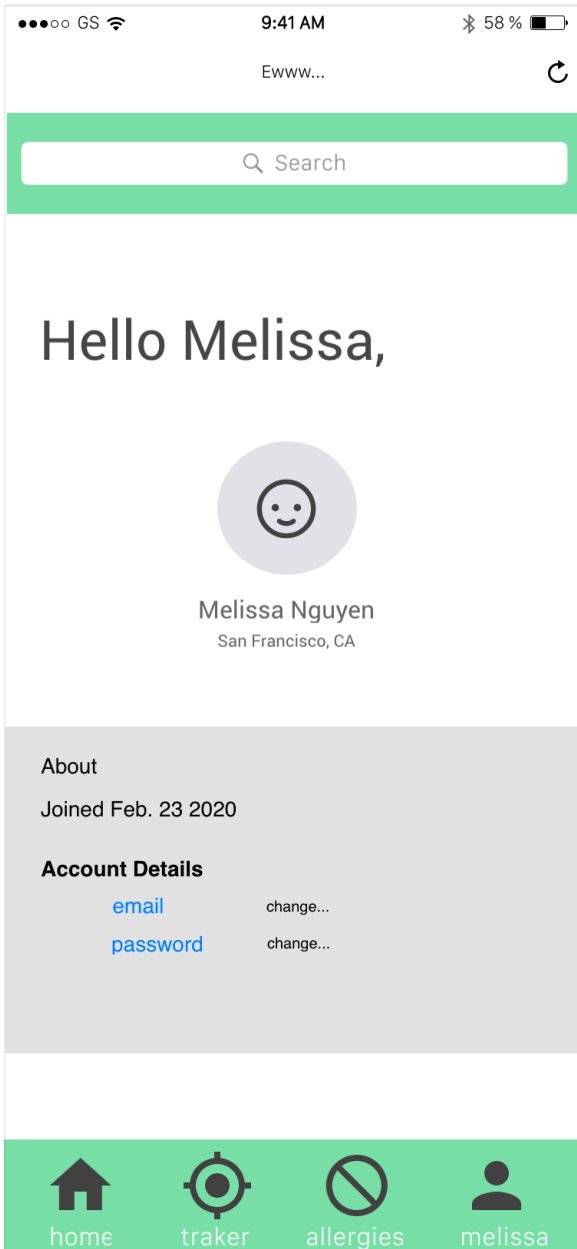

mestrada7@mail.sfsu.edu
allergies - list of allergies from scan

15:12

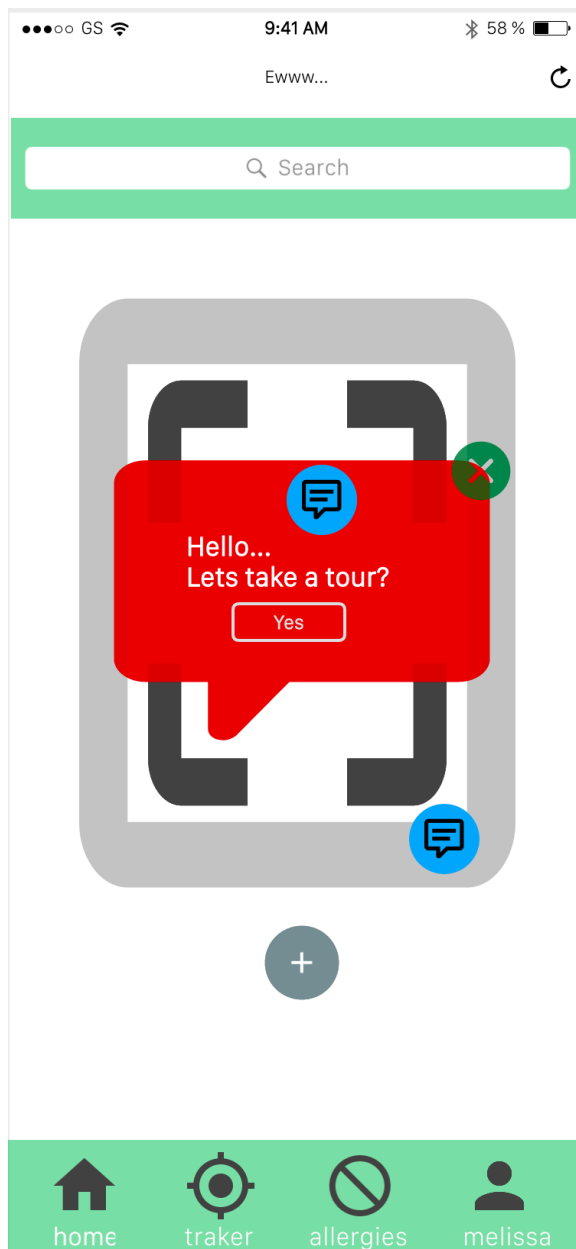

mestrada7@mail.sfsu.edu
add the scan

16:42

16:53

M

mestrada7@mail.sfsu.edu

15:14

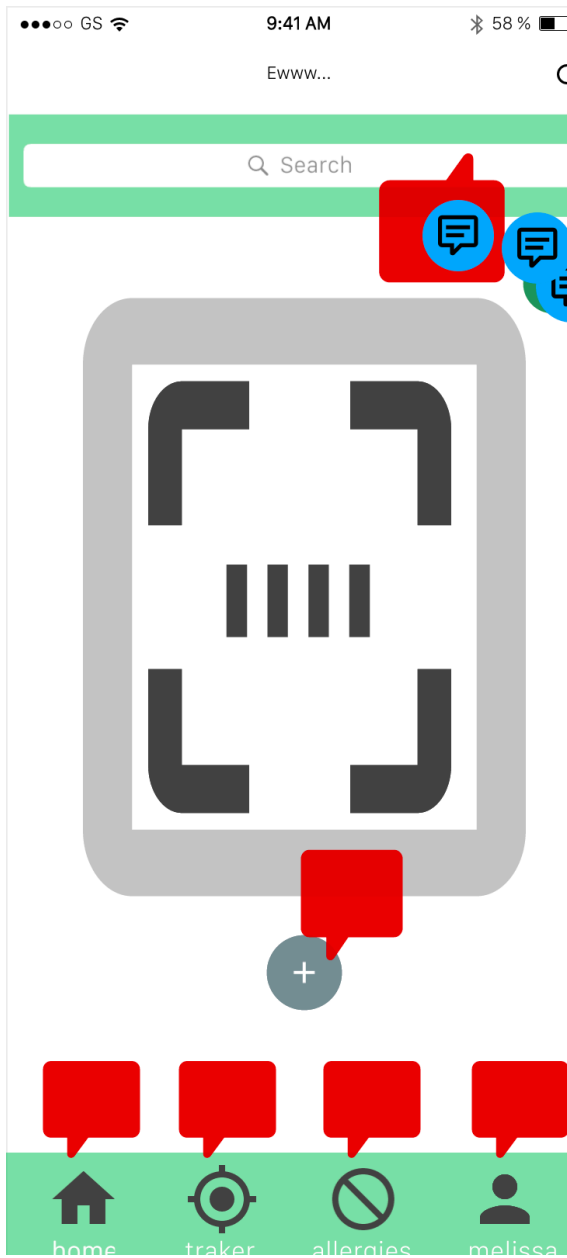

give the user the option fot a tour that just explains the function of each button and page

M

mestrada7@mail.sfsu.edu

15:15

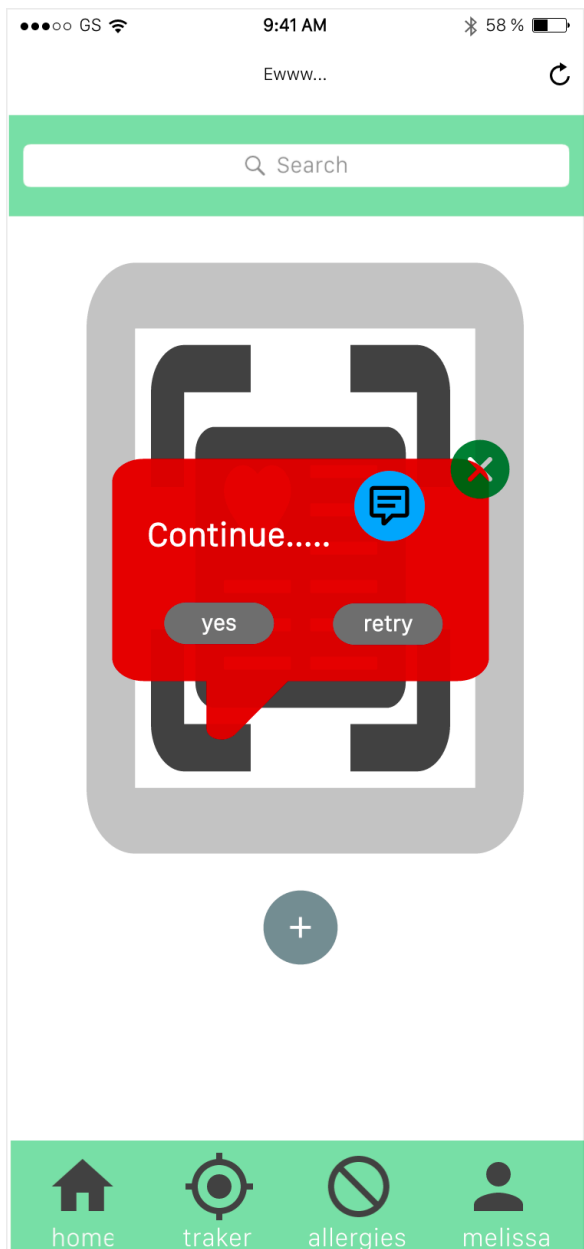

the optional tour reduces time eleminating possibility of confusion

M mestrada7@mail.sfsu.edu 16:15
exit tour

M mestrada7@mail.sfsu.edu 16:17
the red bubbles will be zoomed in to tell
the user the functionality of eacg
button/feature

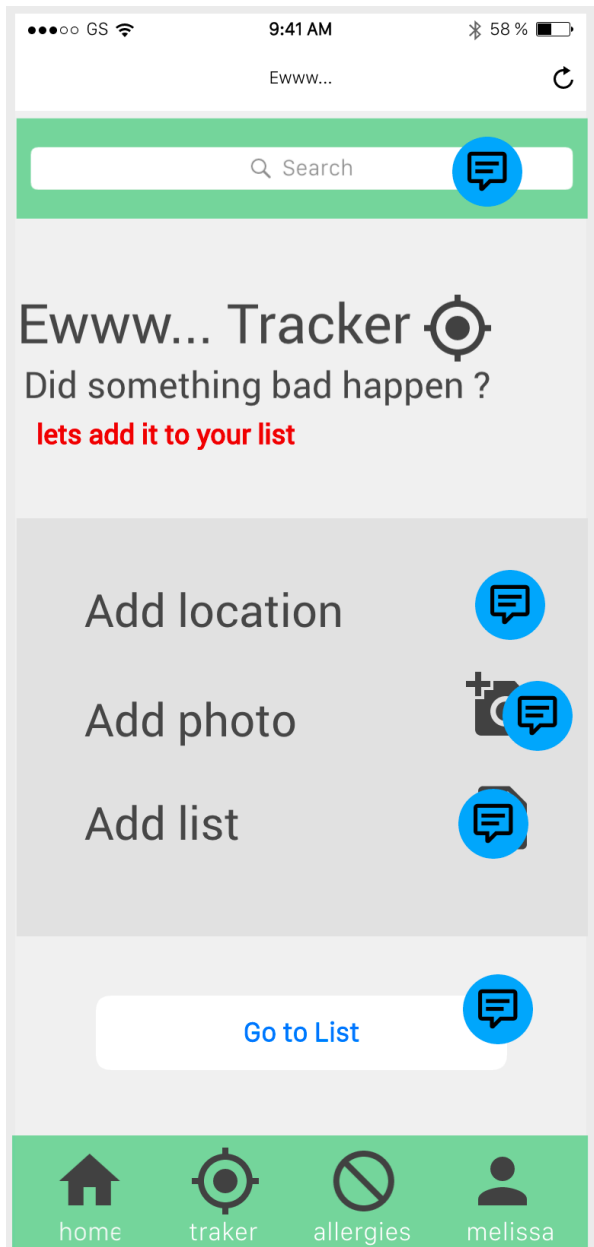

M mestrada7@mail.sfsu.edu 16:17
exit tour go home

mestrada7@mail.sfsu.edu

15:42

the pop up allows the user to make sure they want to continue or retake the picture

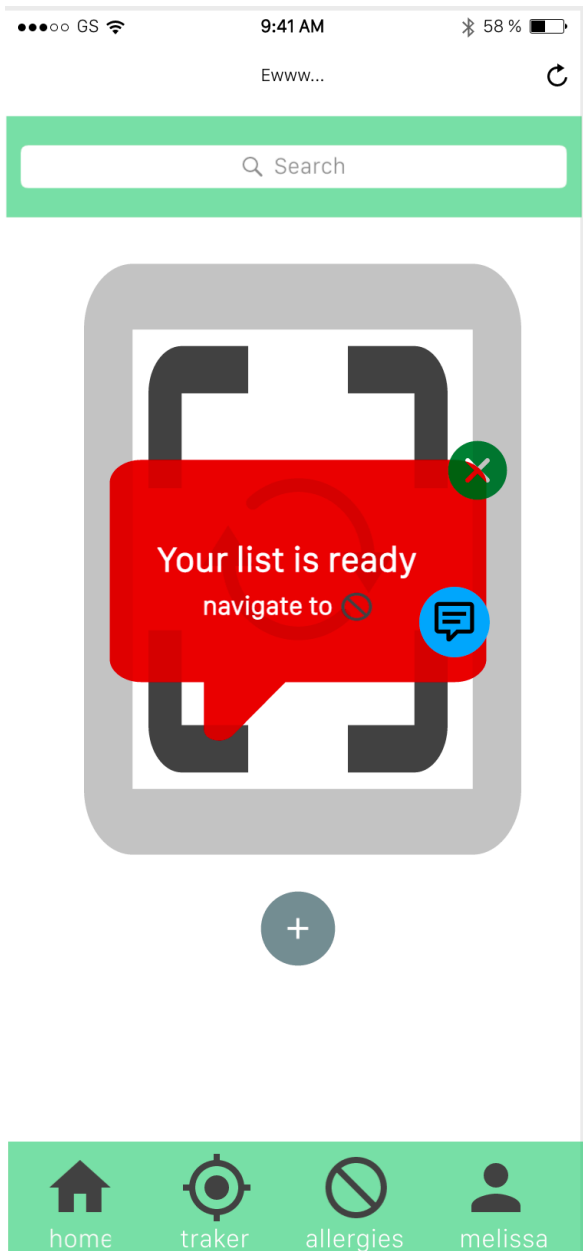

M mestrada7@mail.sfsu.edu 16:08
quick search

M mestrada7@mail.sfsu.edu 16:08
track the location where allergy happened. Maybe food/resturant or envirmental

M mestrada7@mail.sfsu.edu 16:09
simply take a picture of product or dish

M mestrada7@mail.sfsu.edu 16:09
manuel list input

M mestrada7@mail.sfsu.edu 16:10
by clicking here the user will be able to go straoght to the list page where the allergies are categorized and organized

M mestrada7@mail.sfsu.edu 15:43

after viewing the loading page the user is then directed to the list page

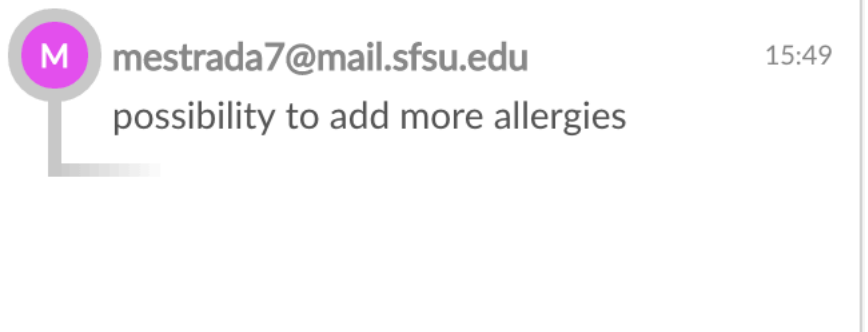

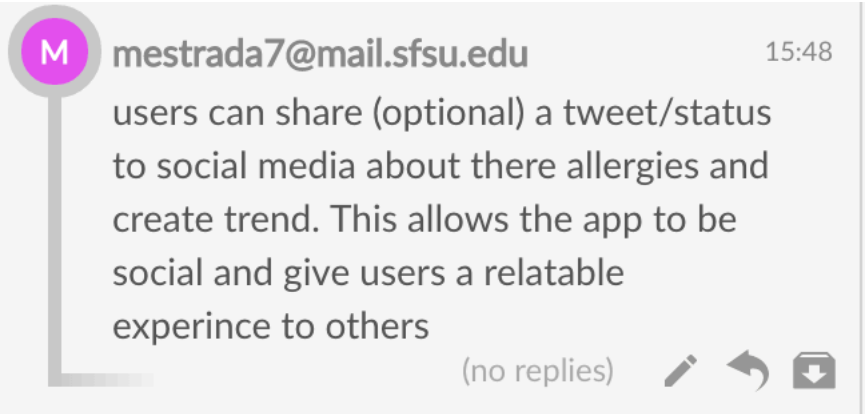

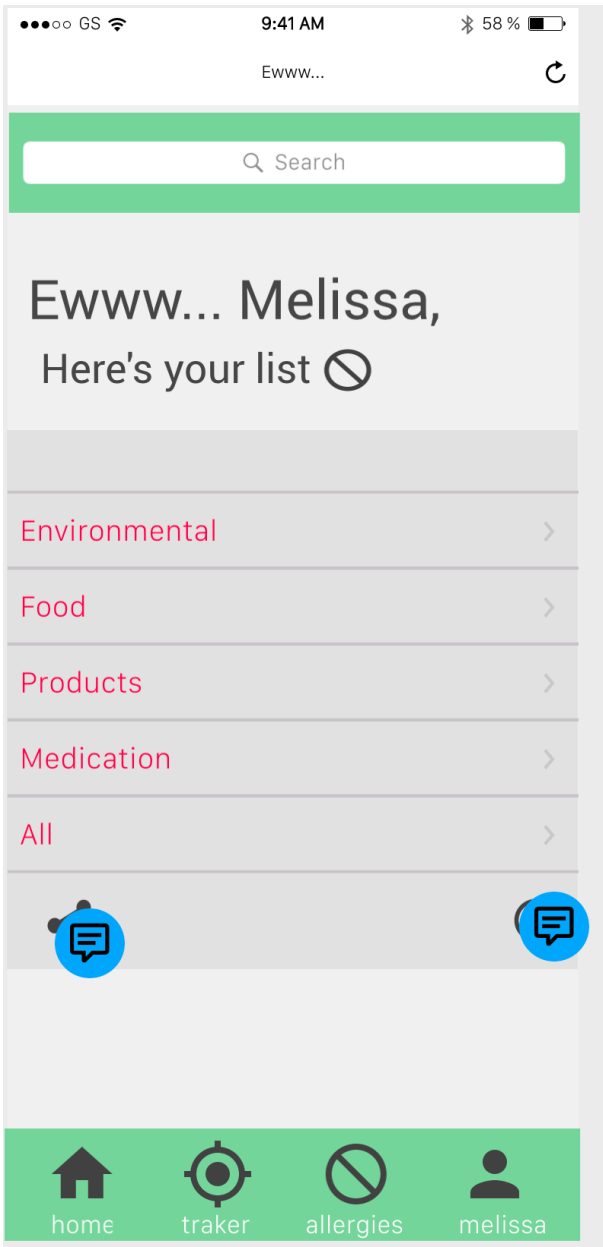

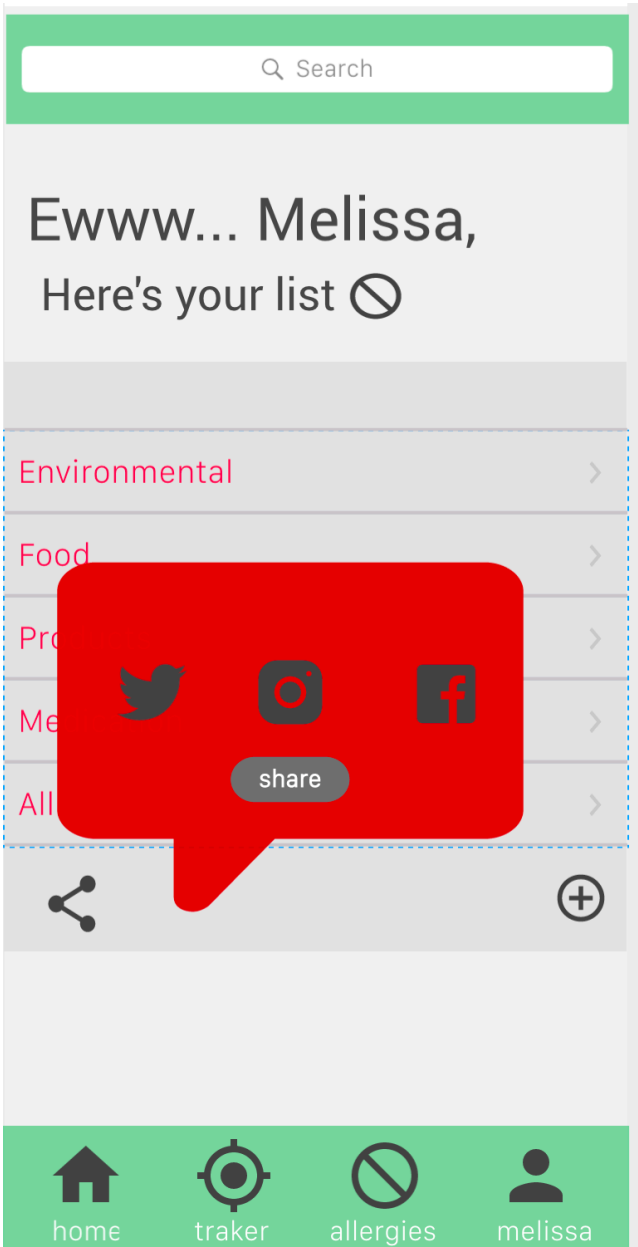

mestrada7@mail.sfsu.edu

15:45

now the list is being loaded and created
